

JANTZEN BEACH MOORAGE, INC.

RULES AND REGULATIONS

adopted 1/20/15

YOUR PEACE AND ENJOYMENT, AND THE PEACE AND ENJOYMENT OF YOUR NEIGHBORS IS DEPENDENT UPON THE WILLINGNESS OF **ALL** TO BE COURTEOUS AND COOPERATIVE. THE MANAGEMENT ENCOURAGES YOUR INPUT AND/OR RECOMMENDATIONS WHICH WE WILL CONSIDER AS WE CARRY OUT OUR RESPONSIBILITIES.

1. Neighborliness:

You may not carry on obnoxious or offensive activities which are an annoyance or a nuisance to your neighbors. All persons shall refrain from creating any disturbance, making noise or using musical instruments, radios, televisions, amplifiers, fireworks or other items which may disturb other occupants of the moorage.

Before 8:00 a.m. or after 10:00 p.m., parties, and other activities must be controlled to keep the volume of noise to a level that does not disturb the moorage and/or other residents.

Soliciting, peddling or other commercial enterprises are not allowed on moorage property without written consent from the moorage office.

Do not feed the ducks, geese or other animals in the moorage area, (including ramps, docks, walkways, parking lots) or common areas such as free water space. This activity supports an unhealthy rodent population and discourages water fowl from their normal migration.

2. Gates, Docks and Walkways:

Your moorage has security gates; please keep them closed at all times. Please do not prop the gate open for any reason.

Keep the ramps, docks, walkways and common areas completely clear of your personal property and other items.

3. Personal Boats:

JBMI uses the Bylaws and Portland's Title 28 for a definition of a boat and as such, a float registered and outfitted as a boat may not be considered a boat to add square footage and exceed your footprint.

You may keep personally owned boats, as defined in the Bylaws, Article 1 Definitions tied to

your floating home, provided that said boats do not interfere with egress or ingress of your neighbors boats. The overall length of a boat cannot exceed the foot print width of the slip on the Membership Certificate. Boat mooring must allow for movement and not damage neighboring property and neighboring properties must not cause damage to moored boats.

You may not moor boats that do not belong to you without written consent from the moorage office.

Members shall not permit any conditions to exist within or about their boats or moorage spaces that endanger the health or safety of any persons or which could endanger or damage property.

4. Trash, Garbage and Oil Disposal:

Garbage of any type must always be placed in the appropriate garbage containers and not left on your float or walkways. *Never* throw any material of any kind into the river or moorage area.

It is the responsibility of the member to keep the water area around their floating home clear of any floating debris.

Members shall not generate or dispose of any hazardous material, oil or other petroleum products in, on or around the premises, except at the approved collection site in spill-proof containers. Use bio-degradable products to clean decks and floats. Contact the moorage office for a list of acceptable products.

5. Sewage:

You must remain connected to the waste collection system at all times. You are responsible for any leaks that occur from your home. If connections are found to be in disrepair, the member will be given a *seventy-two (72) hour notice* to remedy the problem. If the matter is not remedied, the moorage office will have the problem repaired and the member will be billed.

6. Moorings/Utilities:

You are required to be diligent about your homes' safety and security. The moorage attachments on your floating home belong to you and their maintenance is your responsibility. New connections must agree with the City of Portland Floating Structures Code, Title 28.

Moving or shifting moorage/utility connections may only be done with written consent from the moorage office.

7. Pets:

JBMI has a Pet Policy limited to two pets (dogs and/or domestic cats) per household. All pets must be registered & pet fee paid at move in or when the pet is acquired. Animals must be kept on a leash at all times while on moorage property and cats shall be restricted to the owner's float unless leashed.

Pets are not allowed to urinate and defecate on moorage walkways, utility pedestals or on ramps. JBMI has marked areas to walk pets on the riverbank & lawn. Pet owners are fully responsible for the behavior of their pets and any damage caused by them.

Pet owners shall not allow their pets to become a nuisance to others and shall clean up after their pets in all areas they may visit. Pet nuisances include: periods of barking, yipping or whining; aggressive behavior towards humans or other animals, and/or cats roaming free on docks.

Pets on Hayden Island are under the jurisdiction of Multnomah County Animal Control (www.multcopets.org) who is responsible for enforcing the animal statues for the County. The law states, "It is unlawful to permit any animal to unreasonably make a disturbance such as repeated episodes of continuous noise lasting 10 minutes or episodes of intermittent noise lasting 30 minutes, providing someone other than the owner did not intentionally provoke the animal to bark."

Pet owners are required to read the JBMI Pet Policy and sign the Pet Policy Agreement. Fines will be levied for non compliance of the JBMI Pet Policy.

8. Safety and Caution:

JBMI has a Fire Protection Policy. Fireworks and open recreational fire pits (includes tiki torches) are prohibited within moorage property. Briquette BBQs, chimeras' and enclosed fire pits must be placed on a fire proof hearth and be equipped with a spark containment screen.

No person shall swim, dive or water ski from the ramp or walkways of the moorage property. Ramps and walkways are often wet, icy and very slippery.

Running and/or riding wheeled vehicles, such as motorcycles, scooters, bicycles, roller skates or skateboards is prohibited on the ramps and walkways. Handicap vehicles are exempt.

Please observe the *No Wake speed limit* in all moorage areas and entire length of the North Portland Harbor.
