

Jantzen Beach Moorage, Inc.
EMERGENCY PROCEDURES

In case of FIRE:

- .. Call 911 immediately. Evacuate residents and alert neighbors
- .. **DO NOT** enter the building if there is smoke and/or fire.
- .. Use fire extinguishers and garden hoses as needed.
- .. Send someone to meet fire truck(s) and assist in directing fire location. The fire department has an emergency code and gate key for access.

In case of HIGH WINDS:

- .. Secure deck furniture, boat tie downs, plant containers, etc. Tip taller plants/trees over.
- .. Check float tie-ups and chain connections.
- .. Be prepared to turn off gas, water, and/or electricity breaker. Check utility connections. Know the location of the nearest fire extinguishers.
- .. Be prepared with safety ropes if needed.
- .. Assist neighbors. Know how to contact them if they are away.

In case of BREAK-A-WAY Houses/Floats

- .. Call for help.
- .. Attach rope to cleat or stringer and secure to dock or piling, etc. until help can arrive.
- .. Turn off electrical breaker, gas and or water at walkway and report problem to utility company and moorage office.

In case of FLOOD or HIGH WATER

- .. Northwest Natural Gas will be notified of any gas leaks. They will turn off the gas service if they feel it is too dangerous to supply the service or can't repair a leak. NWNG will determine the appropriate action to take.
