

Fire Protection Policy

Adopted 2/19/08

Fireworks Prohibited

Fireworks that create spark or flame are prohibited from use on all moorage property. This includes members home and floats, moorage parking lot and upland riverbanks.

Charcoal Barbecue and Fire Pit Pre-Cautions

Charcoal barbecues, open flame wood burning fire pits and outdoor stoves (Chimera's) must have an ash collection device. If not, it must be placed on a fire-proof hearth extending 1 ½ ft. beyond the fire bed. Fire pits and outdoor stoves must be equipped with an appropriate spark containment screen.

Penalty:

Due to the high risk of fire danger the responsible member will be assessed a minimum penalty of \$50 by the Board of Directors.

Floating Home Water Hose Requirement

Each member's home must be equipped with a minimum of 50 ft. of garden hose with a attached nozzle and connected to a water line near the front walkway entrance.
