

## **Jantzen Beach Moorage, Inc.**

### **Fire Protection Policy**

JBMI is under the jurisdiction of the City of Portland fire codes. Per City of Portland, Fire Code K99: No open burning of recreational fires, including tiki torches, within 25 feet of a combustible structure (including floats). This fire code also enforces the following:

#### **FIREWORKS PROHIBITED**

Fireworks that create spark or flame are prohibited from use on all moorage property. This includes homes and floats, walkways, parking lot and upland riverbanks.

#### **CHARCOAL BARBECUE REQUIREMENT**

Charcoal barbecue (including smokers) must have an ash collection device.

#### **FIRE PITS & OUTDOOR STOVES REQUIREMENT**

Open flame fire pits and outdoor stoves (including chimeneas) must have an ash collection device. If not, it must be placed on a fire-proof hearth extending 1.5 feet beyond the fire bed. Fire pits and outdoor stoves must be equipped with an appropriate spark containment screen.

#### **WATER HOSE REQUIREMENT**

Each member's home must be equipped with a minimum of 50 foot garden hose with an attached nozzle and connected to a water line near the front walkway entrance.

#### **PENALTY FEE**

Due to the high risk of fire danger, the responsible member will be assessed a minimum penalty fee of \$50.00 by the Board of Directors for any violation of these requirements.
